Node colour: weakest mission FY2024/25
τ = 0.90
0 .25 .50 .75 1
Mission output ÷ FY2018/19, capped at 1; colour = minimum of five missions.
C Group mission profiles, ordered by weakest-mission recovery (numbers match A and B)
Radar: FY2024/25 mission attainment (Visits · U16 · Edu · U18 · Loans); dashed ring = τ .90; red = weakest.
Sparkline: FY20/21–24/25; equal-weight vs weakest mission; shading = masking gap.
